

BAR 5.1

5.1-Channel 4K Ultra HD Soundbar with True Wireless Surround Speakers

Your ultimate all-wireless movie experience.

The JBL Bar 5.1 transforms from a soundbar into a true wireless 5.1 home theater system for an epic movie and music-listening experience. The soundbar features two detachable battery-powered wireless surround speakers with 10-hours of playtime, 510W of total system power, a 10" wireless subwoofer, three HDMI™ inputs to connect 4K devices and Bluetooth™. With Dolby® Digital, Dolby Pro Logic II and DTS, your movies, music and video games will never sound more incredible. The soundbar features JBL SoundShift®, which allows you to instantly switch between the sound from your TV and the Bluetooth sound from your mobile phone or tablet. The soundbar is programmed to respond to your TV remote, so you can control everything with your existing TV remote control. The JBL Bar 5.1 re-defines the soundbar experience.
