Distinguished design

Harman Kardon Citation Sub blends home audio innovation with sophisticated design. Its premium blended wool fabric, made by Kvadrat, is dirt repellent and flame retardant.

Superior sound and sophistication

The first truly premium product of its kind, the Harman Kardon Citation range is the ultimate in state-of-the-art audio from Harman Kardon, the world's foremost purveyor of high fidelity audio products for over 65 years.

Wireless cinematic surround sound

Timing is everything. The Harman Kardon Citation Sub is WiSA-enabled for super low latency multi-channel precision sound. Fully connect with film, sports or games and get inside the action with this newest innovation that ensures perfect sync for wireless audio.

Ready for multi-channel surround sound

Add a Harman Kardon Citation Sub to Harman Kardon Citation Bar or Harman Kardon Towers to infuse your home audio with a grounding layer of deep, rich bass, or complete your home theater by adding it to a pair of Harman Kardon Citation Surrounds for the ultimate multi-channel surround sound experience.

Always up to date

Effortlessly keep your features and services up to date. Software updates and upgrades automatically download and install to your system. Maintaining state-of-the-art home audio has never been easier.

Easy set up with wireless connectivity

No extra wires. Harman Kardon Citation Sub connects wirelessly and sets up easily with a single power cord, so you can start enjoying your home theater faster.
