Multi-mode Wireless Ultra-slim Combo Set

9900M

This elegant advanced wireless set looks great on any desktop with its stylish, streamline design. The keyboard boasts an impressive 4.0 mm ultra-slim yet sturdy design and anodized aluminum housing. The Fn multimedia keys offer quick access to all important multimedia functions. The 9900M set also features an advanced wireless mouse with superior comfort and functionality. Precise navigation on virtually every surface is possible thanks to the high-performance laser engine and fully adjustable 3200

DPI. 9900M is not only advanced in design and features but also in connectivity. The desktop set transmits via Rapoo's latest multi-mode wireless connection – using reliable 2.4 GHz wireless transmission, Bluetooth 3.0 or Bluetooth 4.0 (Smart) – enabling you to connect simultaneously to multiple devices and switch (pair automatically) among them. To top it off, this set features a rechargeable battery so you can enjoy wireless freedom without having to replace batteries.

► Multi-mode wireless connection

Interference-free wireless options: The smart switch between Bluetooth 3.0, 4.0 and 2.4 GHz ensures stable wireless transmission with up to 10 meters range and 360° coverage. You can still use your keyboard regardless of USB port shortage or the loss of receiver.

► Instant switch among multiple connected devices in one click (Automatic pairing)

Connect to all your devices: 9900M automatically pairs the working device. It simultaneously connects to multiple devices, and easily switches among them in a click of a button. It simplifies activities across devices and meets multi-tasking requirements.

► Ultra-slim 4.0 mm design with aluminum alloy

Slimline and rugged: The award-winning ultra-slim 4.0 mm design makes this keyboard a real eye-catcher while the anodized aluminum housing offers stability and durability.

► Adjustable 3200 DPI laser sensor

Precise down to the last pixel: with the adjustable DPI sensor, accuracy is no longer left to chance. Adjustable from 600 DPI to 3200 DPI, you can adapt it to match your preference. What's more, this high-performance laser engine enables you to use the 9900M mouse on virtually any surface.
