# Drop Magnetic Wireless Charger

## About The Product

A MagSafe compatible upgrade to our iconic Drop Wireless Charger. Optimized for a seamless magnetic wireless charging experience, its compact & clever design also enables retro-compatibility with all Qi-enabled devices. It's a truly universal Wireless Charging solution.

## Why have we created

### Drop Magnetic Wireless Charger?

This continuation of our Drop range levels things up. With our growing range of MagSafe accessories, discover the magic of magnetic alignment and the versatility it brings to your everyday with your devices. Effortless charging that isn't just functional, but doubles as a design statement for your home or workspace. Designed with weighted materials for a premium feel, that also holds your charger in place to enjoy one-handed detachment – just grab & go.

## Thoughtfully designed to fit your lifestyle

- Snaps into place for effortless iPhone 12 & 13\* magnetic wireless charging up to 7.5W
- Fast-charges your other Qi-enabled devices up to 15W
- Weighted metal base enables easy one-handed detachment for a seamless & hassle-free experience, designed to complement your space
- Includes an extra long 6.5ft / 2m USB-C to USB-C braided power cable for freedom of placement, made from recycled materials

\*Magnetic charging for MagSafe equipped iPhones (iPhone 12 & later) and MagSafe compatible phone cases. Must be paired with a USB-C (≥20W) power adapter (not included)
