Fast GaN Charger PD 35W

About The Product

The smallest, lightest charger for your tech, made possible with GaN technology. Unlock 35W Power Delivery dual-port charging in ultra-compact form. Powerful enough to charge your laptop, tablet, phone, and more.

Why have we created Fast GaN Charger PD 35W?

With so many wall chargers available in the market, we wanted to create the most streamlined and simplified solution possible without compromising on function. Utilizing the industry's latest GaN tech, our 35W charger not only fits squarely in the palm of your hand, but also boasts performance so powerful that it can charge multiple devices and fast-charge even your MacBook Air or iPad Pro.

Thoughtfully designed to fit your lifestyle

- Unlock Power Delivery for your phone, tablets, MacBook Air, weather stations & more
- Charge up to 2 devices at once with 2 USB-C ports
- Dynamic power allocation automatically optimizes power distribution between your devices
- Advanced 35W GaN technology supports faster charging in smaller & lighter form
- 35W PD-enabled USB-C port supports full-speed charging for your MacBook Air or powers your iPhone up to 50% in under 30 minutes
- Safeguard your battery with overvoltage, overcurrent & overheating protection
- Available for US/CA, EU & UK adapters
