

Fast GaN Charger PD 30W

About The Product

Our lightest, smallest charger yet packs a punch. The fastest 30W PD charging made possible with GaN technology. Powerful enough to charge your laptop, tablets, phones, and more. Ultra-compact, built-for-travel form.

Why have we created Fast GaN Charger PD 30W?

With so many wall chargers available in the market, we wanted to create the most streamlined and simplified solution possible without compromising on function. Utilizing the industry's latest GaN tech, our 30W charger not only fits squarely in the palm of your hand, but also boasts performance so powerful that it can fully fast-charge even your MacBook Air or iPad Pro.

Thoughtfully designed to fit your lifestyle

- Unlock Power Delivery charging for your phone, iPad Pro, MacBook Air & other Type-C devices
- Advanced 30W GaN technology supports faster charging in smaller & lighter form
- Ultra-compact design built for on-the-go
