

# Snap 3-in-1 Magnetic Wireless Charger

## About The Product

Your all-in-one power solution. Snap your iPhone 12 or 13 to the stand, drop your AirPods or AirPods Pro in the wireless tray, and place your Apple Watch on our detachable puck for seamless everyday power. Designed with your everyday ease in mind with an adjustable head for flexible access to your iPhone while charging.

## Why have we created

### Snap 3-in-1 Magnetic Wireless Charger?

We created this expanded version of our multi-device MagSafe charger to upgrade your complete everyday with tech. With support for your entire tech arsenal including an Apple Watch, you can forget about multiple cables or chargers on your desk. With handsfree viewing and adjustable angles, you're free to power up while taking a video call streaming at the same time. Got another device to charge? Simply replace the detachable Watch Puck with another cable for effortless use.
