ACTIVE CASE

About The Product

Everyday protection to the max. Active Case combines extra-durable drop protection with elevated materials for a daily case without compromise. Semi-wrapped in a sustainable alternative to leather, Active Case is rugged and refined – a do-it-all case with maximum protection and minimalist design.

Why have we created ACTIVE Case?

We designed Active Case and Active Wallet Stand to be even more minimalist and function-focused takes on refined carry. Influenced by and created for our active lifestyle, we ensured extreme drop protection to withstand adventure, drew on the active world's love for vibrant shades, and even made Active Wallet double as a stand for maximum functionality. This recent bout of active-inspired accessories encapsulates our dedication to designing for life – adapting to the rise in everyday movement by ensuring it works hand in hand with your digital lifestyle.

Thoughtfully designed to fit your lifestyle

- Crafted with a durable, recycled & animal-free leather alternative
- Smooth & shock-absorbing frame made with 100% recycled materials
- Worry-free carry with drop protection up to 10ft / 3m
- Recycled microfiber lining, raised edges, and a closed-bottom structure for extra care
- Compatible with MagSafe charging & accessories
- Personalize your experience – bundle with Active Wallet Stand & City Grip for more versatility in your carry
