(RE)CLASSIC CASE

About The Product

Textured elegance for your iPhone, made better for the Earth with eco-conscious and recycled materials. The timeless contrast of smooth and cross-grained leather is reinterpreted with an animal-free leather alternative for low impact, long lasting protection.

Why have we created (RE)CLASSIC Case?

There's a reason we keep coming back to (Re)Classic Case. An elegant design, eco-friendly materials, and a durable build – it's everything we want a phone case to look and feel like. And every year, we raise the bar with enhancements to make (Re)Classic Case even more so the epitome of everyday protection. This year, we're innovating with a new material which, after rigorous testing, proved to be durable to the max. Even better, it's incorporates recycled materials. Reduce. Reuse. (Re)Classic.

Thoughtfully designed to fit your lifestyle

- Crafted with a durable, recycled & animal-free leather alternative
- 100% recycled frame, fully wrapped in a smooth & cross-grained design for an elevated finish
- Protect your iPhone with highly resistant materials & drop protection up to 6ft / 1.8m
- Recycled microfiber lining, raised edges, and a closed-bottom structure for extra care
- Compatible with MagSafe charging & accessories
- Personalize your experience – bundle with (Re)Classic Sling, City Sling, City Grip, or (Re)Classic Wallet for more versatility in your carry
