(RE)CLASSIC SLING

About The Product

Wearable tech gets a timeless touch. Keep it classy with this elevated take on the convenient crossbody strap in a durable leather alternative. Easily adjust its length to fit your frame, then wear it how you want for an elegant, eco-friendly, and effortless way to carry.

Why have we created (Re)Classic Sling?

The more classic, more elevated edition of our beloved straps, (Re)Classic Sling delivers the same comfort, durability, and adjustability but with a more timeless take. We designed it for the days we still want the hands-free convenience of wearing our tech, but also want a more elegant accessory to our outfits. Perfect for both everyday and elevated occasions, you can color coordinate it with your (Re)Classic Case for an even more polished finish.

Thoughtfully designed to fit your lifestyle
