

MOVA

M10

Light handling, intense cleaning

Mova M10

Wet and Dry Vacuum

Weighing only 0.9kg while handling, M10 offers 90° swivel flexibility for effortless movement around furniture. The 180° Lie-Flat Reach technology easily fits into low spaces while maintaining 18kPa of powerful suction. M10's upgraded serrated scraper provides deep cleaning and effective hair detangling. Enjoy the 75°C full-path self-cleaning process featuring hot water washing, dual rotation, and hot air drying, ensuring the brush remains fresh and dry for hassle-free maintenance.

Key Features

Simple Lightweight Cleaning

M10 only weighs 0.9kg* while handling, making it a breeze to keep your home spotless. Enjoy effortless cleaning with its 90°* swivel flexibility, allowing for smooth movement around furniture legs and corners.

*0.9kg: Weighing 0.9kg in handling, and 4.4kg for the main body.

180° Lie-Flat Reach Grants an Ultimate Clean

With 180°* Lie-Flat Reach tech, M10 easily cleans low spaces and navigates gaps as narrow as 14cm*, ensuring thorough dust removal in tight spots under furniture and hard-to-reach areas.

*180°, 14cm: The entire body of the vacuum cleaner can reach spaces as low as 14cm, based on our in-house lab data.

No Hassle from Hair Tangles

The advanced Tangle-Free™ system uses a serrated scraper that reaches deep into the brush, effectively combing, cutting, and vacuuming hair to prevent tangles and remove debris.

*Tangle-Free™ system: Based on TUV Product Service (Report No.: 704012404252-00).

75°C Full-Path Self-Cleaning

Enjoy complete self-cleaning for optimal care. The 75°C* hot water brush wash with dual rotation and 75°C* hot air drying keeps your heat-proof brush fresh and maintains its shape for lasting use.

*75°C: Based on our in-house lab data.
