E30 Ultra

Robot Vacuum and Mop with Auto-Empty and Mop Self-Cleaning

With 7,000Pa Vormax™ suction, E30 Ultra captures debris and particles, storing them in a spacious dust box. Enjoy hands-free maintenance with automatic cleaning and self-washing mops that air-dry to prevent odors. E30 Ultra's advanced technology makes home cleaning efficient and easy.

Key Features

7,000Pa Vormax Suction

E30 Ultra's advanced Vormax suction system packs 7,000Pa* of power, easily pulling household debris from the floor.

*7,000Pa: Based on our in-house lab data. Actual performance may vary depending on the real-world environment and usage.

Auto Robot Care and Maintenance

E30 Ultra's 3.2L dust bag provides up to 75 days* of dust collection without needing to be emptied. Enjoy hassle-free cleaning with self-washing mops that air-dry, preventing odors and stains.

*75 days: Based on our in-house lab data. Actual performance may vary depending on the real-world environment and usage.

10.5mm Mop Raising

E30 Ultra's 10.5mm mop raising* protects your carpets from moisture, keeping them dry while effectively tackling stubborn stains on hard floors.

*10.5mm mop raising: Based on our in-house lab data. The height difference of the robot vacuum is 10.5mm before and after mop lifting.

Ultrasonic Carpet Recognition

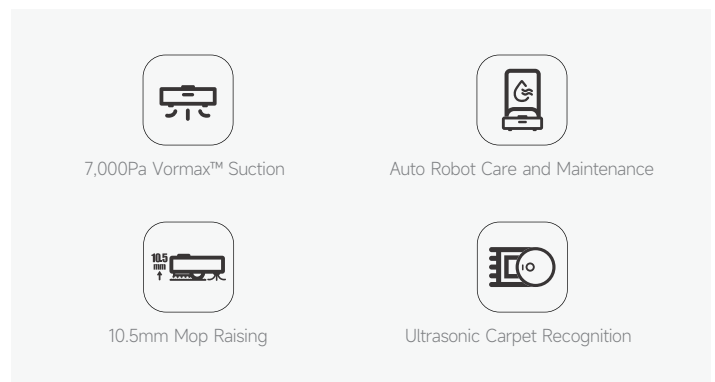

E30 Ultra uses ultrasonic carpet recognition and suction boost to double-clean carpets*, providing comprehensive rejuvenation and efficiently handling the toughest messes.

*Double-clean carpets: Only in intensive carpet cleaning mode.
