

MOVA

S4 Detect

Persistent power, illuminated clean

Mova S4 Detect

Cordless Stick Vacuum

S4 Detect delivers exceptional cleaning with 150AW* suction, removing hair, dirt, dust, and debris. Enjoy up to 90 minutes* of cordless operation in Eco Mode with a swappable 8 x 2,500mAh* battery pack. The illumination multi-surface brush, featuring an anti-tangle design and celeste LED lights, optimizes cleaning performance on carpets and hard floors by revealing hidden dust and ensuring corner and crevice cleaning. A flexible adapter reduces bending, allowing thorough cleaning under low-profile furniture.

*150AW, 90 minutes, 8 x 2,500mAh: Based on tests in our in-house lab. Actual performance may vary.

Key Features

Powerful Suction and High-Speed Brushless Motor

Clean with efficient high-speed brushless motor, delivering 150AW* of suction power to effectively pick up hair, dirt, dust, and debris. The powerful motor ensures exceptional cleaning performance and a longer service life.

*150AW: Based on tests in our in-house lab. Actual performance may vary.

Consistent Cleaning with a Strong Battery Pack

Swappable 8 x 2,500mAh battery pack provides consistent power for up to 90 minutes* in Eco Mode, improving cleaning efficiency.

*90 minutes, 8 x 2,500mAh: Based on tests in our in-house lab. Actual performance may vary.
*Note: Please note that the package includes only one battery pack. For additional batteries, please purchase through Mova stores.

Multi-Surface Brush with Optinsight™

The multi-surface brush with an anti-tangle design is expertly crafted to meet the demands of carpet and hard floor cleaning. S4 Detect integrates celeste LED lights (Optinsight™) that illuminate dim areas and reveal hidden dust, enhancing cleaning precision.

99.9%* High Efficiency Filtration

With an impressive filtration efficiency of up to 99.9%*, the multi-layer filtration system effectively captures larger particles over 0.3µm* in diameter.

*99.9%, 0.3µm: Based on tests in our in-house lab.

Specifications

| | |
