L40s Pro Ultra

Robot Vacuum and Mop with
Auto-Empty and Mop Self-Cleaning

Dreame L40s Pro Ultra

Robot Vacuum and Mop with Auto-Empty and Mop Self-Cleaning

L40s Pro Ultra packs 19,000Pa suction to tackle the trickiest messes, wet and dry, hidden in hard floor gaps or fluffy rugs. It ensures 100% detangling using Dreame's very own HyperStream™ Detangling DuoBrush. Plus, it offers greater flexibility with smart features unlocked via the Dreamehome App or a simple "OK, Dreame."

Key Features

Powerful Debris Pickup with 0 Tangles

19,000Pa* suction effectively captures debris from hard floors and carpets, including cat litter and paper scraps. The HyperStream™ Detangling DuoBrush elevates cleaning with 100%* hair detangling.

Smart Pet-Friendly and Carpet Care

Powered by an AI camera and smart strategies, L40s Pro Ultra precisely navigates around your house and recognizes different objects so your pets and carpets are treated with tailored care.

Extended Reach into Corners and over Thresholds

This robot cleaner extends its side brush to capture dust and stretches its mops to wipe out sticky mess, be it under beds and in nooks. The 40mm obstacle clearing ability* allows it to cover even more areas of your home.

Hands-Free Mop and Dock Self-Cleaning

L40s Pro Ultra cleans its mop pads after each use with 75°C hot water*. The upgraded self-cleaning technology even takes care of the washboard residue, so you won't have to bend down and clean up from time to time.

Specifications

Robot Vacuum Dimensions	350 x 350 x 103.5mm
Base Station Dimensions	340 x 457 x 591mm
Base Station Weight	9kg
Robot Vacuum Weight	4.23kg
Maximum Suction	19,000Pa
Main Brush Type	HyperStream™ Detangling DuoBrush
Obstacle Crossing Height	40mm (Double-Layer Step) 22mm (Single-Layer Step)
Main Brush Lifting	✓
Side Brush Lifting	✓
Side Brush Extending	✓
Mop Extending	✓
Mop Removal	✓
Dust Bag Capacity	3.2L
Obstacle Avoidance	AI RGB + Dual-Laser 3D Structured Light
Clean/Used Water Tank Capacity	4.5L/4.0L
Voice Control	Built-In & Third-Party

Features

What's in the Box

*The illustrations in this manual are for reference only. Product dimensions may vary by up to 2mm and the weight may also vary slightly. Please refer to the actual product.

*100 days: Based on a calculation derived from environment testing in our in-house lab. Actual performance may vary.

*19,000Pa: Based on our in-house lab data. Actual performance may vary.

*100% hair detangling: Based on our in-house lab data. Actual performance may vary.

*75°C hot water: The base station water outlet temperature can reach up to 75°C after heating, under standard room conditions of about 23°C. Actual temperature may vary.

*40mm: Refers to the double-layer step's height where the gap between the 2 layers is > 3cm. Based on our in-house lab data.
