

DREAME

U10 Cordless Stick Vacuum

Light up and clean up

Dreame U10

Cordless Stick Vacuum

U10 ensures effective cleaning with powerful suction, LED lighting for dim areas, and modular designs for easy maintenance. It features a detachable dust cup and a long-lasting rechargeable battery pack.

Key Features

Lights Brighten Dark Spaces, Unveiling Dust

Implementing the LED light array on the multi-surface brush enhances cleaning precision in challenging areas. The multitude of lights provides ample illumination, revealing otherwise unnoticed dust and debris on the surfaces to be cleaned.

Consistent Cleaning with Powerful Suction

U10 maintains 100AW suction power with a high-speed 100,000RPM* motor, allowing for 40 minutes* of consistent cleaning to efficiently pick up dust, dirt, debris, and hair.

99.9% Dust Filtration with Simple Disposal

The five-layer filtration system captures dust and particles with 99.9%* efficiency, while the multi-cone dust collector funnels dust into a detachable 0.5L* cup for effective filtration and disposal.

Attachment for Extended Cleaning Needs

Wide Combination Tool, equipped with bristles, is designed to extract dust and debris from challenging-to-reach areas. The easy attachment mechanism ensures handy operation and cleaning efficiency.

*100AW: Based on tests in Dreame Lab. In accordance with the report 0219-23A-01. *100,000RPM: Based on tests in Dreame Lab. In accordance with the report 0219-23A-01. *40 minutes: Based on tests in Dreame Lab. The maximum runtime is achieved in low-speed mode. *99.9%: Based on tests in Dreame Lab. In accordance with the report 0235-23A-01. *0.5L: Based on tests in Dreame Lab.

Specifications

Product Name	Dreame U10 Cordless Stick Vacuum
Rated Power	310W
Suction Power	100AW
Battery Capacity	7 × 2,000mAh
Maximum Runtime	40 minutes
Vacuum Body Weight	1.65kg
Charging Time	Approximately 3.5 hours
Dust Cup Capacity	0.5L

Features

 100AW Suction	 40-Minute Runtime	 100,000RPM Brushless Motor
 Multi-surface Brush with a Pack of Lights	 0.5L Detachable Dust Cup	 99.9% Filtration Efficiency

What's in the Box

							
Extension Rod x1	Principle Machine x1	Multi-Surface Brush x1	Battery Pack x1	Wall Mount x1	Wide Combination Tool x1	Charger x1	User Manual x1
