The Projector That Matches Your Comfort

160° Adjustable Angle

No more awkward viewing angle and sore neck — flip the projection from wall to ceiling in seconds.

With Netflix and Google TV built right in, Vibe One (Battery Powered) makes it easy to wind down with your favorite shows — and enjoy them on a huge 150" projected screen.

Stereo-Quality Sound

2 x 3W Speakers, Sound by JBL

Use it as a Bluetooth speaker and elevate every moment.

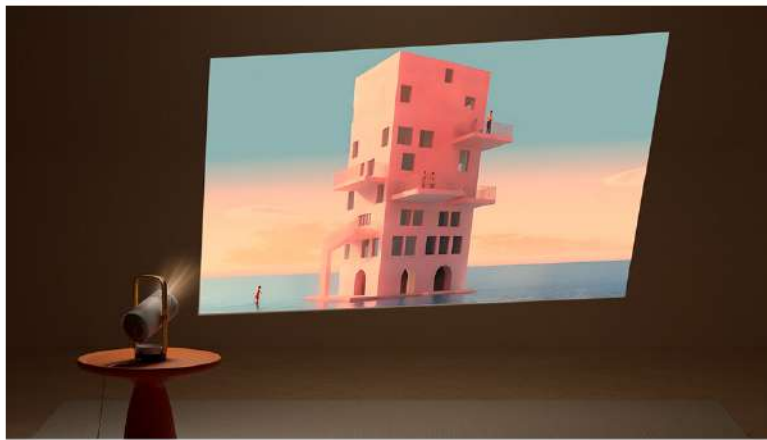

Wake up gently with the Ambient Light Mode of the Vibe One (Battery Powered)

With 8 unique light colors, the Ambient Light Mode of Vibe One (Battery Powered) helps you create the perfect mood — from low-key nights to lively parties.

Less Setting Up, More Sitting Down

Vibe One (Battery Powered) automatically adjusts all the settings so you don't have to.

Uninterrupted Auto Keystone Correction

Enjoy a perfectly aligned picture every time, no matter the angle of the projector. No settings adjustments needed, and no disruptive on-screen prompts.

Uninterrupted Auto Focus

The Vibe One (Battery Powered) automatically adjusts the image focus, giving you a clear picture without having to think about it. Just turn it on and you're ready to watch.

Wake up gently with the Ambient Light Mode of the Vibe One (Battery Powered)

No more harsh wake-up calls from overhead or outdoor light — start your morning gradually with a soft, soothing glow that eases you into the day feeling calm and refreshed.
